PERCUSSION SUMMER REHEARSALS:

Percussion will practice on Tuesday and Thursday nights in the summer (6:00 - 9:00 pm) at CRHS starting on June 27th and going until August 10th. The expectation is for you to be here if you are available/in town. There are a lot of percussion techniques and basics that need to be taught before you start learning the show drill. If you are out of town, communicate with the staff, and the percussion captains!

Please wear appropriate attire to summer rehearsals: Athletic clothes and sneakers, no jeans, no slides, no converse, etc.
