PERCUSSION SUMMER REHEARSALS:

A weekly time will be set for summer evening practices. The expectation is for you to be here if you are available. There are a lot of percussion techniques and basics that need to be taught before you start learning the show music. If you are out of town, communicate with Mr.

Robinson and your section leader! The weekly time will be decided **after** the final Spring Camp on June 8th. There will be no rehearsal the week of July 4th.
